Subject Description

In Year 9, 10, and 11 students have two lessons per week in GCSEs with students building upon their KS3 knowledge and skills in preparation for the coursework task and the final exam.

Students should be encouraged to become more independent learners so that they can prepare for controlled assessment at KS4 and keep to the deadlines.

Topics that will be discussed within the subject at this Key Stage

The courses offered are Construction, Health & Social Care, and GCSE Design and Technology Qualification.

Grading System

GCSE Design and Technology will use the new 1-9 grading system.

'Together we achieve'
