EXCELLENCE FOR ALL

May 27th 2020

Dear Parent/Carer

Year 10 and Year 12 partial return from the 15th June

In line with Government guidance, from the 15th June we are allowed to invite Year 10 and Year 12 students into school for some 'face to face support'. We are currently planning what that support will look like, for example full lessons or subject based tutorials to discuss what your child has completed so far and what more we can do to support over the coming weeks. The Government have made it clear that we are allowed no more than 25% of the Year 10 and Year 12 students in per day, for us that would be no more than 50 students.

In order for us to plan effectively it is vital that we know which students will be coming into school. I realise that you will have concerns regarding health and safety and I can assure you that we are treating the safety of both students and staff as our highest priority. We will have no more than 10 students in a standard classroom, larger venues will be used if there are more than 10 students, strict social distancing will be enforced wherever possible and students and staff will have to wash their hands and use hand sanitizer regularly throughout the day. The school is currently undergoing intensive cleaning and we have increased the cleaning rotas during the day to disinfect the areas being used. We are also completing a very detailed risk assessment which has to be approved by both the Multi Academy Trust board of Directors and the Local Authority.

Please can you complete the very short questionnaire [here](#) by **4pm on Friday 29th May** indicating whether or not your child will be attending if they are invited in? It should be noted that your child will not be required to come into school every day. Further details will follow early next week. Thank you for completing the survey promptly thus helping to increase the time we have to plan effectively.

As always, take care and we look forward to seeing more of our students safely back in school soon.

Yours sincerely

Mrs D Burrows
