EXCELLENCE FOR ALL

29th June 2020

Dear Parent/Carer

Year 8 into Year 9

I hope this letter finds you and your family in good health.

As you may be aware, the Government have announced that Secondary Schools are able to invite some students in for face to face time before September. We have had a very successful fortnight with Year 10 and Year 12 students back in school and we are therefore planning on inviting our Year 8 students who are moving into Year 9, in to school for a very important session with their new option subject teacher.

You will shortly receive a letter with further information relating to the time and location of your child's lesson and I wanted to let you know that we are planning this 1.5 hour session to allow all new Year 9 students to come into school in small subject groups for a focussed lesson in their brand new GCSE subject. The aim of the session will be for the teacher to assess how well each student is doing in their new subject as well as providing some further work for them to complete ready for when we hopefully, start back at school from September.

The Year 8 into 9 lessons will take place from the 6th - 16th of July and your child will be required to attend only one of the sessions.

Thank you once again for your continuous support.

Yours sincerely

Mrs Denise Burrows
Headteacher
