July 2020

Dear Parent/Carer

We received a great deal of interest in our Chromebook scheme from the survey we sent to parents last week.

With the ever-present risk of a second lockdown and our desire to make device access as easy as possible for students, we are offering all parents an opportunity to get a Chromebook for their children.

We have launched a new donation scheme for Chromebooks. For a donation of £126 we can provide your child with a Lenovo 100e Chromebook. These devices typically sell in the shops for around £200+ so this is a great opportunity. You can sign up at <https://bit.ly/chromebook126>

Alternatively, if you sign up at <https://bit.ly/chromebook12> you can make 12 monthly donations of £12 for the device.

At the moment, we are unable to offer the Chromebook scheme for 36 monthly donations of £4.

We are planning to give these devices to students in September. However, you will need to sign up by Wednesday 15th July to confirm your place on the scheme.

We are running this scheme so that all students who need one, can get a device.

If you have any questions regarding the scheme, please contact the school.

Thank you.
