EXCELLENCE FOR ALL

July 3rd 2020

Dear Parent/Carer

It feels like quite some time since I last wrote to you, though this is primarily because we hadn't had any firm news on the September opening.

We have now had the official guidance from the Department for Education which will enable us to move forward with our plans to bring all students back into school as safely as possible. It is clear that the Government want all students to return to school, which is excellent news, though how we do that in a socially distanced manner is the challenge we will need to overcome.

The return of many of our Year 10 and Year 12 students has been successful and the students have been brilliant in terms of their work ethic and adherence to the additional social distancing and hygiene rules. We have been genuinely impressed with their mature and sensible approach and trust we will get the same positive response from the Year 8 and Year 11 students who are due in before the end of the year.

I will write to you again before the end of term with details about September and will keep you updated if there are any further developments over the holidays. If you have changed your email address then please can you let reception know using the contact details: admin@egacademy.org.uk or 02476 453 121 so we can update SIMs.

Thank you once again for your continued support.

Yours sincerely

Mrs D Burrows
